- 4- The applicant shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.
- 5- The applicant shall prevent excess soil or debris from being spilled on public streets and lanes; and shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.
- 6- The improvements take place in accordance with the plans and sketches submitted as part of the permit application.**
- 7- All improvements shall be completed within twelve (12) months of the effective date of the permit.
- 8- The applicant is responsible for designing and constructing a building foundation drainage system adequate for the existing soil conditions.
- 9- The applicant is responsible for determining if there are any special considerations required for building foundation construction.
- 10- The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.
- 11- No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.
