

### **FRED BLACK**

I have had the privilege of serving as a Councillor for the Summer Village of Sunset Beach for the past four years. As a full-time resident, I am proud to call this community home and am committed to working alongside Council and Administration to ensure it continues to thrive.

During my term, I've been actively involved in passing key legislation, including our new Sewage and Land Use Bylaws, and in supporting the maintenance of our roads and park spaces. I also represent Sunset Beach in my role with BAILS (Baptiste and Island Lakes Stewardship), advocating for the environmental health and sustainability of our lakes.

Born in Athabasca and raised in Peace River since 1964, I moved to Sunset Beach 12 years ago to be closer to our children and family. I enjoy fishing year-round and take daily walks through the village, which gives me the chance to connect regularly with fellow residents.

I'm passionate about protecting what makes our Village special, keeping taxes as low as possible, and continuing to move our community forward with practical, community-focused solutions.
