

TIM EVANS

I'm Tim Evans, a seasonal resident of Sunset Beach from May to October, and I spend the winter months in Athabasca.

I'm excited to be running for council again and continuing to serve our community. I bring decades of experience as a retired tradesman, having worked in the oil patch for 28 years. I also proudly served as a volunteer firefighter for 50 years.

I believe in fiscal responsibility and am committed to working hard to keep taxes as low as possible while supporting the needs of our Village.
